

## **Nurturing Communities Network Leadership Team Description**

April 11, 2024

### **NCN Leadership Team:**

3-4 individuals who will provide day-to-day guidance for the ministry of the Nurturing Communities Network

### **Responsibilities:**

- Pray daily for the network, its participant communities, and the individuals supporting and seeking Christian community involvement
- Coordinate the work and activities of the network including:
  - building and maintenance of a website and database
  - maintaining regular contact with participant communities
  - assisting the development of regional networks
  - responding to inquiries and requests for information
  - promoting, coordinating, and facilitating the practice of community visitations or external reviews
  - facilitating the development of additional resources for communities
  - meeting other NCN administrative needs including financial management
- Assist the NCN steering committee
  - attending the regular meetings of the steering committee
  - assisting the steering committee chair in development of the agenda
- Meet regularly with other members of the leadership team (generally every 2-4 weeks)
